Teaching Learning Process:

The institute is affiliated to the Savitribai Phule Pune University (SPPU). Curricula and syllabus for each of the Programmes as provided by the University are available on the institute website as well as the SPPU website.

The institute follows student centric, Outcome Based Teaching-Learning process. The teaching load of each faculty is assigned as per their subject expertise, experience, and choices. AICTE norms regarding maximum load to be assigned to each faculty as per their cadre are followed while assigning the teaching load.

Continuous Assessment Process: (Students Performance evaluation)

The evaluation process is outcome based employing various direct and indirect assessment tools. Continuous assessment system is incorporated in the institute for assessment of practical based on learning outcome. Online tests are conducted with the help of MOODLE which makes more time available with faculty to resolve students' problems. Transparency is maintained in the evaluation process which boosts confidence of faculty as well as students. Grievances, if any, are addressed by Grievance Redressal Cell in time bound, transparent and efficient manner.

Continuous assessment was done and communicated to the student. Term work marks are also displayed on Notice Board. Feedback from students, alumni, Stake holders are taken regularly, which is used for effective mechanism of the institute.

The claim of student related to continuous assessment is admitted to the department through GFM. The department constitutes a committee for enquiry, which verifies all the documents and the procedure adopted related with assessment. The claims of the candidate against the assessment are validated, if prima fascia, the claims are found to be correct then both the parties are called for meeting and clarification. In the meeting, if the claims are settled in accordance to the claims of the student, then the assessment is corrected and improved results are declared. The concerned faculty is made to undergo the training for assessment with due notice to be conscious during the assessment. The process is completed in span of a week. If the claim is not found to be right, then the candidate is explained thoroughly about the assessment by another subject expert as per his assessment and the pre-defined guidelines. Further, the reassessed results are declared and brought to the notice of the concerned.
