Internal Quality Assurance Cell Action Taken Report: 2020-21

1. All students completed their internship with certification from their domain industries.
2. Good performer faculties in academics were appreciated by a letter of appreciation. letters were re given to faculty members who have performed exceptionally well. Counselling other faculties were done by Dean of academics and senior faculty members.
3. Many faculty members attended faculty orientation programs and webinars of their topic of subject interests.
4. Technical events were organized at department and institute level for students.
5. The result analysis was done in detail at department level. Toppers of every class were appreciated so that other students could take motivation.
6. The boost in placement is targeted by upgrading student's skills through various T&P programs sessions for final year students.
